### A Day of Learning and Play

In our class with joy we stand,  
 Teacher helps us, hand in hand.  
 Books and alphabets, learn each day,  
 Desks and computers, here we play.  
 Pencil and pencil case, colours bright,  
 Ruler is red, measuring right.  
 Clock on the wall, ticking sound,  
 Tells us when playtime is found.  
 At home, in my bedroom where I look,  
 Chair and lamp, with my favourite book.  
 Closet hides secrets, clothes, and games,  
 Bookshelf stories, of many names.  
 Bed always awaits day's end, so sweet,  
 Dreams of tomorrow, with new treats.  
 Learning and playing, day's theme,  
 In our world, where we dream and beam.

Nature story

In the orchard near the sea,  
 Stands a lonely little tree.  
 Underneath the sky so blue,  
 Grass around it softly grew.  
 Above, a mountain tall and wide,  
 Where birds in the sky love to glide.  
 A rock sits quietly strong and still,  
 Watching over the flowing hill.  
 A tractor hums, working away,  
 Helping the farmer collect the hay.  
 Round the orchard a fence goes,  
 Keeping inside fruit that grows.  
 Near the sea, the ocean's roar;  
 By the lake, the river's shore.  
 Water everywhere, play and fun,  
 In this place, adventure's done.

 In your jacket, you're warm enough!

 Scarf and coat? Yes, them too!  
 Boots on feet, step out – let's go,  
 Time to play with the snow!  
 Build a snowman, big and round,  
 Or make snowflakes, without a sound.

 Walking in snow, oh what a show!  
 With friends and laughter, side by side,  
 Winter's a ride, enjoy the slide!

In the ocean

In the ocean deep, where the waters flow,  
 Lives an octopus, with arms that glow,  
 & a crab scurries by with a click-click sound,  
 While a starfish twiddles, all around.  
 A dolphin jumps, with a playful flip,  
 As a friendly shark gives a funny nip.  
 In the jungle tall, with trees so grand,  
 A lion roars proudly, ruling the land.  
 An elephant trumpets, with a golden tone,  
 While a giraffe stretches, reaching high and low.  
 A monkey swings, from vine to vine,  
 As a crocodile lurks, in the water's line.  
 A gazelle bleats its cheer, with a funny sound,  
 As a zebra walks, with stripes all around.  
 A tiger roars, with eyes so keen,  
 In the grassy land, where the earth is green.

Kids run and jump, with laughter sweet,  
 And swim like fish, with quick feet.  
 On the farm nearby where the animals play,  
 A cow gives milk, while horses sway.  
 Sheep give wool, so soft and fine,  
 While hens lay eggs, in a row, in line.  
 In this world so big, so colorful and bright,  
 Let's cherish every moment, from morning till night.
